

BY GRACE YOU HAVE BEEN SAVED -- INTRODUCTION

At all Christian Baptisms, we will hear these words: *I now baptize you in the Name of the Father, Son and Holy Spirit (Matthew 28:19)*. This is right and appropriate because all three Persons of the Trinity were/are intimately involved in our salvation.

God the Father plans our salvation -- *glory be to God the Father!* God the Son accomplishes the Father's plan -- *glory be to God the Son!* God the Holy Spirit applies what the Son accomplished -- *glory be to God the Spirit!* All Three Persons work in perfect harmony for our salvation -- *great Jehovah Three-In-One, glory, glory, while eternal ages run!*
